**ORDER:**

In the G.O. first read above, Government have accorded permission for supply of water to the 2<sup>nd</sup> crop under Pendyala Pumping Scheme located at Vijjeswaram Village limits of Nidadavole Mandal, West Godavari District which is intended to provide water supply to 6626 acres subject to the following conditions.

- i) The entire maintenance charges shall be borne by the beneficiaries of Pendyala Pumping Scheme.
- ii) That concurrence of the Collector, West Godavari shall be obtained to the proposals.

2. In the G.O. second read above, Government have accorded permission to the A.P. State Electricity Board to draw 90 cusecs of water from Godavari river up streams of Godavari Barrage for 3X33 MW Gas Based Thermal Power Station at Vijjeswaram free of cost by construction of separate pump house and pipe lines and also permitted to release 70 Cusecs of water from Condenser after cooling into main channel by Pendyala Pumping Scheme which is located at M.0-2-330 Right Bank of Godavari Western Main Canal. The water is drawn by gravity through a siphon across Godavari Western Main Canal, instead of pumping, since 1992 and the 1<sup>st</sup> and 2<sup>nd</sup> crops are being cultivated.

P.T.O.

3. In the reference third read above, the Engineer-in-Chief (Irrigation) has informed that the Executive Engineer, Godavari Western Division, Nidadavole reported that during the 1<sup>st</sup> crop (Khariff F.1420) due to sudden shutdown of Godavari Thermal Power Station Stage I and reduction of release of water by 50%, the standing 1<sup>st</sup> crop could be survived with much difficulty. The Water being released from Godavari Thermal Power Station Stage-I at Vijjeswaram is drawn to the Pendyala Pumping Scheme and supplied by gravity to the ayacut since 1992 for both the crops. The existing pumps of P.P. Scheme became sick, could not be put in operation due to certain mechanical and electrical operations which require immediate repairs and rectifications and also necessary provisions for construction of New Pump House, Installation of New Motors, Pumps, etc., is incorporated in the Modernization of Godavari Western Eluru Canal Package No.21/GDS/WG/2007-08 and the works are in progress.
